## DATE / WEG Updates

TRADOC G2 has created and deployed a survey that will solicit feedback. It is our hope that the responses provided to this survey will help shape how we describe, develop, deliver, and expand upon the DATE in the future. Those interested in taking the survey can access it here: [TRADOC G2 DATE SURVEY](#). The survey will be available for access from 1 May until 31 May.

The [Worldwide Equipment Guide](#) expands weekly to accommodate capabilities needed for any training task. An ongoing effort to modify the DATE Pacific Force Structures for North Torbia will result in several additions in the near future.
